

Local Council Candidate Pledge

I will always act to further equality for lesbian, gay, bisexual, transgender, intersex, queer and asexual (LGBTIQA+) people, work to end discrimination, and stand up for human rights.

I take seriously the impact that my actions and decisions both as a candidate for local council, and a councillor, can have on my local LGBTIQA+ community.

I will actively consider and consult with LGBTIQA+ members of my community and provide them with an opportunity to be heard.

If elected, I pledge to campaign for and support:

- undertaking Rainbow Tick accreditation for council-run services
- establishing and continuing an LGBTIQA+ advisory committee to council
- developing and implementing a LGBTIQA+ action plan for council
- flying the rainbow flag from council buildings on LGBTIQA+ awareness days
- marching in Pride March under a council banner or participating in Midsumma or local pride events
